MEMORANDUM FOR: Director of Finance

FROM: Harry E. Fitzwater  
Deputy Director for Administration

SUBJECT: Regulatory Issuances

1. As you know, we checked into the scheduled briefing of Mr. Jim Bush regarding the attached and I understand that the briefing was cancelled. In our investigation of this matter, there was some question as to the need for this relatively "minor" revision to be forwarded for Congressional Committee review in the first instance. It seems to me that the best people in a position to make these determinations for all Agency regulatory issuances are in the Regulations Control Division (RCD) of OIS.

2. In order to ensure uniform treatment of regulations regarding Committee review, please ask the Chairman of the Travel Policy Committee to forward proposed revisions or new regulations to RCD which will undertake the necessary coordination with the Office of General Counsel and the Office of External Affairs.
